How do I find GuildNet providers in my area?

Providers are listed in alphabetical order by type of service, and borough or county.

Do I need a referral or pre-authorization for services?

Except for Audiology, Podiatry and Optometry, all of the services in this directory require GuildNet authorization. To obtain an authorization, you or your network provider can call Member Services at 1-800-932-4703, Monday through Friday, 8 AM to 6 PM. TTY users should call 1-800-662-1220.

Can I use providers not in the GuildNet network?

When you joined GuildNet, you agreed to use GuildNet's Network Providers. Under some special circumstances you might be able to use out-of-network providers, such as for short term Nursing Home care or if none of GuildNet's network providers in your area are able to provide the care you need. Please talk to your Case Manager before using an out-of-network provider.

What if your provider leaves GuildNet?

Sometimes the network provider you are using might leave the plan. If this happens, your GuildNet Case Manager will arrange services for you from another network provider.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room.
- However, as soon as possible, you or someone else should contact GuildNet at 1-800-932-4703. GuildNet needs to know about your emergency so we can help coordinate your follow-up care. Please try to contact GuildNet about your emergency or hospitalization within 48 hours.
